### Discussion:

talk about what we researched

### Conclusions:

Venmo- only supports 4 crypto. We will not be using venmo.

Robinhood - can't spend the crypto, only invest it. Only available for US customers. We cant use

coinbase - 250 cryptocurrencies, fdic insured. fees on transactions

gemini - 100 cryptocurrencies, fdic insured. fees on transactions.

binance - 290 cryptocurrencies & 600 out of the US, lower fees on transactions.

bitstamp - 80 cryptocurrencies, fees on transactions

We've decided to go with: Binance
